## Product benefits

### Automatic water softener 12 l

<b>Model</b>	<b>SAP Code</b>	00007875
--------------	-----------------	----------

**1**

#### **Regeneration of the softener is done only with salt**

light regeneration with salt

- no complex operators are required, regeneration can be handled by trained operators

**2**

#### **Automatic regeneration using the set day and time**

automating the regeneration process

- less operator intervention required; 40 l salt hopper

**3**

#### **Bypass**

operation of the device is not restricted during regeneration

- no need to stop operation for regeneration
