## Product benefits

### Meat mincer 1 grinding group removable grinding unit 160 kg/h 400 V

Model	SAP Code	00004836
-------	----------	----------

1

#### Single composition

simplicity

- one-piece assembly makes it very easy to assemble and disassemble

2

#### Reverse gear

easy to control

- no need to disassemble the grinder when the auger is overloaded

3

#### Production 160 kg/h

large capacity

- great price/performance ratio
- time and cost saving

4

#### Polished aluminum body

robustness

purity

- long service life
- very easy to clean

5

#### Removable head

robustness

purity

- thanks to the removable head, it is much easier to clean and thus saves time
- better cleaning quality ensures hygienic safety

6

#### Stainless steel hopper

durability

hygienic cleanliness

- very long hopper life due to robustness
- very easy to maintain hygienic cleanliness thanks to smooth surface and rounded corners
