Technical data sheet

Product features

Salamander digital 3 heating elements movable upper part automatic 400 V		
Model	**SAP Code**	00010737

- Removable bottom shelf: Yes
- Continuously sliding upper part of the device with heating elements: Yes
- Automatic temperature control: Yes
- Stainless steel holder included for easy wall mounting: Yes
- Automatic switch off at the end of the cycle and acoustic signaling: Yes
- HOLD function for temperature maintenance: Yes
- Number of heating elements: 3 heating elements, 7 heating options

SAP Code	00010737	**Power electric [kW]**	4.500
Net Width [mm]	570	**Loading**	400 V / 3N - 50 Hz
Net Depth [mm]	580	**Removable bottom shelf**	Yes
Net Height [mm]	520	**Number of heating elements**	3 heating elements, 7 heating options
Net Weight [kg]	58.00

Technical data sheet

Product benefits

Salamander digital 3 heating elements movable upper part automatic 400 V		
Model	**SAP Code**	00010737

1 **Vermiculite heating segment cover**

immediate barrier-free penetration of heat and light from the heating segments
very durable material

- intensive heat treatment of food

2 **Special heating elements,**

instant thermal run-up

- salamander does not need to be continuously switched on, food is cooked in real time, no waste heat is generated in the kitchen

3 **Sliding system**

a sliding system enabling a smooth shift of the lift and setting the required distance from the food

- convenient control without the need to exert force to adjust the distance needed to cook the food

4 **Individual zone control**

control elements enabling switching on individual zones of the device
saves energy and extends its life

- energy saving
- allows for the preparation of different sized foods

5 **Stainless steel construction**

construction material is high quality stainless steel ensuring long life
high hygiene standard

- safe food preparation; long service life; easy cleaning

6 **Wall mount**

construction allowing hanging on a wall or structure

- space saving in the kitchen; easy access

7 **Automatic shutdown**

automatic shutdown at the end of the set cycle
acoustic signal

- Prevents food spoilage

Technical data sheet

Technical parameters

Salamander digital 3 heating elements movable upper part automatic 400 V		
Model	**SAP Code**	00010737

1. **SAP Code:**
   00010737
2. **Net Width [mm]:**
   570
3. **Net Depth [mm]:**
   580
4. **Net Height [mm]:**
   520
5. **Net Weight [kg]:**
   58.00
6. **Gross Width [mm]:**
   680
7. **Gross depth [mm]:**
   650
8. **Gross Height [mm]:**
   620
9. **Gross Weight [kg]:**
   62.00
10. **Device type:**
    Electric unit
11. **Material:**
    Stainless steel
12. **Device heating type:**
    Infrared emitter
13. **Power electric [kW]:**
    4.500
14. **Loading:**
    400 V / 3N - 50 Hz
15. **Maximum device temperature [°C]:**
    230
16. **Control type:**
    Digital
17. **GN / EN size in device:**
    GN 1/1
18. **Removable bottom shelf:**
    Yes
19. **Continuously sliding upper part of the device with heating elements:**
    Yes
20. **Automatic temperature control:**
    Yes
21. **Stainless steel holder included for easy wall mounting:**
    Yes
22. **Automatic switch off at the end of the cycle and acoustic signaling:**
    Yes
23. **HOLD function for temperature maintenance:**
    Yes
24. **Number of heating elements:**
    3 heating elements, 7 heating options
    - 3 topné elementy, 7 variant ohřevu
