1

Manual folding system

maintenance-free system
equipped with a spring for convenient tilting
long life

- savings on service interventions
- easier and faster operation

2

Degree of protection of the control elements IPX4

maintenance-free system
resistance to splash water
long life

- savings on service interventions
- easy cleaning and maintenance of equipment

3

Stainless steel bathtub

the material does not cut
wear resistance of the material
long life

- savings on service interventions
- easy cleaning and maintenance of equipment

4

Efficient distribution of heating elements

perfect heat distribution including corners
fast heating

- saving time when cooking
- saving energy
- long service life
