## Product features

### Salamander digital 4 heating elements movable upper part Hi-Touch 400 V

|              |                                  |             |
|--------------|----------------------------------|-------------|
| <b>Model</b> | <b>SAP Code</b>                  | 00010730    |
| ST 42        | <b>A group of articles - web</b> | Salamanders |

- Removable bottom shelf: Yes
- Continuously sliding upper part of the device with heating elements: Yes
- Automatic temperature control: Yes
- Stainless steel holder included for easy wall mounting: Yes
- Automatic switch off at the end of the cycle and acoustic signaling: Yes
- HOLD function for temperature maintenance: Yes
- Number of heating elements: 4 heating elements, 2 heating options

|                        |          |                                   |                                       |
|------------------------|----------|-----------------------------------|---------------------------------------|
| <b>SAP Code</b>        | 00010730 | <b>Power electric [kW]</b>        | 6.000                                 |
| <b>Net Width [mm]</b>  | 735      | <b>Loading</b>                    | 400 V / 3N - 50 Hz                    |
| <b>Net Depth [mm]</b>  | 580      | <b>Removable bottom shelf</b>     | Yes                                   |
| <b>Net Height [mm]</b> | 520      | <b>Number of heating elements</b> | 4 heating elements, 2 heating options |
| <b>Net Weight [kg]</b> | 65.00    |                                   |                                       |

1

#### **Vermiculite heating segment cover**

immediate barrier-free penetration of heat and light from the heating segments  
very durable material

2

#### **Special heating elements,**

instant thermal run-up

3

#### **Sliding system**

a sliding system enabling a smooth shift of the lift and setting the required distance from the food

4

#### **Programmable**

the control panel allows you to set individual times for different foods

5

#### **Individual zone control**

control elements enabling switching on individual zones of the device  
saves energy and extends its life

6

#### **Stainless steel construction**

construction material is high quality stainless steel  
ensuring long life  
high hygiene standard

7

#### **Wall mount**

construction allowing hanging on a wall or structure

8

#### **Automatic shutdown**

automatic shutdown at the end of the set cycle  
acoustic signal

**1. SAP Code:**

00010730

**2. Net Width [mm]:**

735

**3. Net Depth [mm]:**

580

**4. Net Height [mm]:**

520

**5. Net Weight [kg]:**

65.00

**6. Gross Width [mm]:**

830

**7. Gross depth [mm]:**

645

**8. Gross Height [mm]:**

730

**9. Gross Weight [kg]:**

78.00

**10. Device type:**

Electric unit

**11. Material:**

Stainless steel

**12. Device heating type:**

Infrared emitter

**13. Power electric [kW]:**

6.000

**14. Loading:**

400 V / 3N - 50 Hz

**15. Maximum device temperature [°C]:**

230

**16. Control type:**

Touchscreen

**17. GN / EN size in device:**

GN 1/1

**18. Removable bottom shelf:**

Yes

**19. Continuously sliding upper part of the device with heating elements:**

Yes

**20. Automatic temperature control:**

Yes

**21. Stainless steel holder included for easy wall mounting:**

Yes

**22. Automatic switch off at the end of the cycle and acoustic signaling:**

Yes

**23. HOLD function for temperature maintenance:**

Yes

**24. Number of heating elements:**

4 heating elements, 2 heating options  
– 4 topné elementy, 2 varianty ohřevu

**25. Cross-section of conductors CU [mm²]:**

1
